Project Request Summary**

Subcommittee, Agency and Account Information

Subcommittee

Transportation, HUD

Agency

Federal Highway Administration (FHWA)

Account

TCSP - Transportation & Community & System Preservation

Project Information

Project Name:

Street Rehabilitation, Evergreen Park, IL

Amount Requested:

\$6,317,000

Project Description:

This project would be used to rebuild streets in the community. This rebuild would allow increased access to economic corridors in the community both for patrons and employees.

Intended Recipient of Funds

Village of Evergreen Park

9418 S. Kedzie Ave

Evergreen Park, IL 60805

Explanation of the request:

Taxpayers would be benefited by this paving project because the roads in this area are in very poor condition. This will impact a large densely populated area will increase property values and make the roadways drivable again.
